

ST. LAWRENCE PLACE

— DOXFORD PARK —

A MODERN DEVELOPMENT OF 19 DWELLINGS

The greatness of buying a new home is not to look for what is standard but find what is unique.

Welcome to **St Lawrence Place.**

Unique Location

St. Lawrence Place is a flagship development designed for contemporary yet affordable everyday living.

Nestled in a quiet cul-de-sac in the popular suburb of Doxford Park, on the outskirts of Sunderland. The area has undergone a massive re-development in recent years to become a sought after location.

With a hub of bars, shops, schools and local businesses close by plus first class transport links (Close to the A1 & A19, Doxford International Business Park, Rainton Bridge Business Park & Nissan). This unique development, once completed, will offer a mix of 3, 4 and 5 bedroom homes ideal for families and working professionals, wanting to make the most of the fantastic location.

Unique Living

Each property on the St. Lawrence Place development have been designed to reflect today's modern style of living.

Our award winning architects have designed a unique development of thoughtfully designed

3, 4 and 5 bedroom homes using the latest building materials and techniques resulting in exceptional quality, energy efficiency and value for money.

With fully landscaped gardens, minimalist glass balconies & staircases and the flexibility to choose specific kitchen & interior finishes, St. Lawrence Place offers the opportunity to purchase an exceptional new build family home that is personal to you.

Our dedicated team are available to discuss your specific requirements during the construction phase to help you select the finishes to suit your taste.

What makes a house a home?

We believe it's a unique location, accompanied by the perfect blend of sympathetic architecture and modern facilities along with the contrast of smart design and contemporary comfort.
